BlinkList: A Delicious Alternative?

Via Meredith Farkas at [Information Wants to be Free](#) comes [this recommendation](#) for [BlinkList](#). I've imported my Delicious bookmarks into BlinkList and started to play with the many offerings -- my favorite so far being the tag cloud and social side of bookmarking (seeing what friends are doing). Take it for a spin -- my BlinkList name is [mecasey](#).

Hi there! I am glad to hear that you are enjoying BlinkList so far! We are working hard at making the service better and better so if you have any suggestions on how we can improve our site, please let us know!

It is always great to hear from new users that love BlinkList and we are glad to see that you blogged about it! :-) Mike
