Audible, Podcasts, and DRM

A very interesting debate is taking place concerning podcasts and DRM. [Audible](#) announced a [new service](#) on Friday, and then one of their top consultants set about to alienate most of the web community by personally attacking several very well-respected technology bloggers.

Read the [original post here](#) (by Mitch Ratcliffe, an Audible consultant), and some good coverage on [tech.memeorandum](#) and [TechCrunch's blog](#).
