New Technology Challenges & Success: CIL2006

A look at technologies that are being utilized in our newest branch library, with emphasis given to the role that RFID, wireless access, blogs and wikis all play in daily library operations, including the real world benefits that such technologies can provide.

Michael Casey, Branch Manager, Gwinnett County Public Library

Chris Hall, IT Coordinator, Gwinnett County Public Library

Computers In Libraries 22 March 2006
