The Free Range Librarian Says It Best

I'd like to point everyone to an [excellent post by Karen Schneider](#), the [Free Range Librarian](#). She discusses some technical issues that have been plaguing [Michael Stephens](#) and [Jenny Levine](#) and their [Library 2.0 Bootcamp](#). Michael and Jenny were nice enough to ask me to do a [brief podcast](#) for them, which I was happy to do, but I ended up putting a [true MP3 download link](#) from my site because the [group handling their technical issues](#) didn't post my podcast as a true podcast (they make you listen to it online, on their webpage).
