"I'll be blasted if we will be last!"

See Michael Golrick's excellent post [Why Is Library 2.0 So Hard?](#) over on "[Thoughts from a Library Administrator](#)". In speaking about libraries getting online and using [Flickr](#) for outreach:

I, as the administrator, and the one whose job is on the line, am willing to take a risk here. Why are others so risk averse? It costs us very little. Other libraries are doing it without problem, we are not first, and I'll be blasted if we will be last!

Nice.
