Eleven To a Booth, Please!

[Why Is She Taking Our Picture???](#)

Originally uploaded by [One Page Turner](#).

This scene from Dacula this past week shows just how many young people come in and use the teen area. What was amazing is that they were all just quietly talking and not bothering anyone. Nice scene.

Man, this scene makes me so jealous! Not only do I not have this many teens in our library at a time, I also don't have the rockin' YA set-up that you do. Sigh. Can I work with you?
