Service for the Next Generation Library - A Library 2.0 Perspective by Michael Casey

ALISE 2009 Award Winner

by MICHAEL CASEY on NOVEMBER 11, 2008

And the [ALISE Pratt-Severn Faculty Innovation Award](#) goes to... [Michael Stephens](#), Assistant Professor, [Graduate School of Library and Information Science, Dominican University](#).

A hearty and well-deserved congratulations to Michael for this wonderful recognition of the amazing amount of work he has done for the profession of librarianship. I have had the honor and privilege of knowing and working with Michael for over three years now (wow, has it been that long?!) and I have seen the energy and emotion he pours into his work.

Dr. Stephens, job well done.
